

Mancino's Pizza & Catering has been a staple of Lebanon County for over 40 years.

Originally opened by Italian entrepreneur Salvatore Mancino, along with his wife Albina, the Mancinos knew that hard work and sacrifice were the key ingredients for a successful, family-owned pizza shop.

Their sons Franco & Enrico have continued this tradition, serving the community with the same recipes their father brought to America, while bringing new innovations to their community.

Come for the authentic Italian food and stay for the experience: Mancino's treats their customers like family.
